

The Nutria
in ACTION

I fell in love with you
When I was Dreaming

but Someone took our love
away from us

Now I am here and you are over there I wish we could be together

Boo
You can
do better
than that
Boo Boo

OK you
want to
pump up the
party

Baby come
back you
can blame it
all on me
don't run away
from me Ohh
yeah

Yeah! Yeah Whoa!

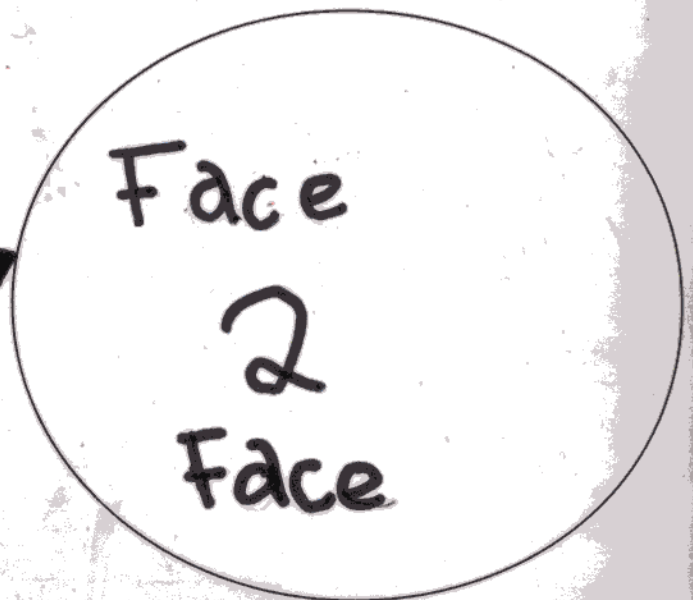

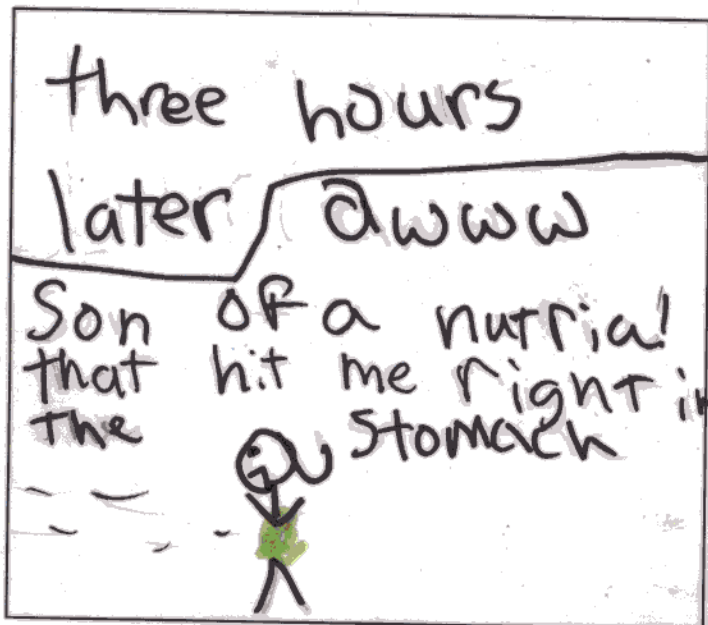

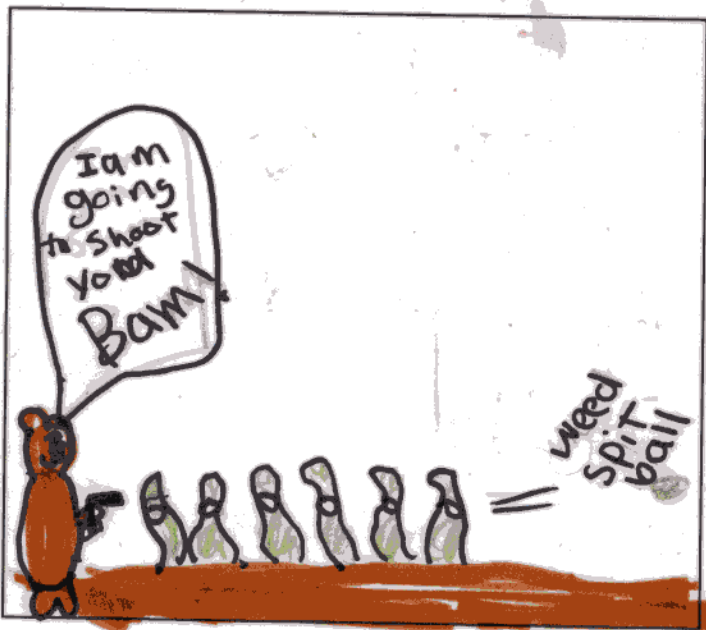

Smooch!

The
end!
